

Partnership for a Sustainable Georgia
AgTrack Partner Application
Champion Level

Section A.
Organization Information

Name of Organization	
Contact Name	
Address, City, State, and Zip Code	
Phone Number(s)	
Email (if available)	

1. Would you prefer to receive information and correspondence from the program by e-mail, hard copy, or both? (please check)

E-mail Hard Copy Both

Please provide the following background information on your organization.

2. Please describe your organization's activities. How do you serve the agricultural community in Georgia?

3. Do you participate in other voluntary environmental program at the local, state, or federal level?

4. How, if applicable, has your organization previously promoted conservation or innovative practices in agriculture?

Section B.

Partner Commitments

As a Champion Level Partner, do you commit your operation to:

1. Promote the Partnership for a Sustainable Georgia and the *AgTrack* Program by completing **three** of the following tasks each year.
 - a) Publish articles in local newspapers, internal newsletters, trade journals, etc. explaining your role as a Partner, and how you have benefited from Partnership for a Sustainable Georgia.
 - b) Promote the Partnership for a Sustainable Georgia by using the logo on your website and other printed materials.
 - c) Host meetings or workshops with the public to educate them about Partnership for a Sustainable Georgia and inform AgP² staff about meetings for Partners recruitment.
 - d) Place advertisements for the Partnership for a Sustainable Georgia in local newspapers.
 - e) Submit potential candidates for application to the *AgTrack* Program.
 - f) Sponsor or co-sponsor an event that educates the public (especially those in agriculture) on pollution prevention and environmental stewardship.
 - g) Other (subject to approval)

2. Provide an **annual performance report (APR)** on progress towards goals and provide **results** that help to **promote your efforts** as an environmental leader.

Section C.
Application and Participation Statement

On behalf of _____ (my organization)

I certify that:

- I have read and agree to the terms and conditions for application and participation in the Partnership for a Sustainable Georgia, as specified in the application instructions.
- I believe the information provided in this application is accurate to the best of my knowledge.
- I understand that the DNR Sustainability Division’s decision whether to accept, deny or remove me from the Program is wholly discretionary.

I understand that the information provided in this application will be public record.
