Partner Performance Information

Each year, Champion Level Partners are required to complete at least three tasks that promote the Partnership for a Sustainable Georgia AgTrack program. These tasks include, but are not limited to:

- a) Publish articles in local newspapers, internal newsletters, trade journals, etc. explaining your role as a Partner, and how you have benefited from Partnership for a Sustainable Georgia.
- b) Promote the Partnership for a Sustainable Georgia by using the logo on your website and other printed materials.

Annual Performance Reports are due by April 30. Please send to Adam Speir at aspeir@enr.uga.edu

Partnership for a Sustainable Georgia AgTrack Program

- c) Host meetings or workshops with the public to educate them about Partnership for a Sustainable Georgia and inform AgP² staff about meetings for Partners recruitment.
- d) Place advertisements for the Partnership for a Sustainable Georgia in local newspapers.
- e) Submit potential candidates for application to the *AgTrack* Program.
- f) Sponsor or co-sponsor an event that educates the public (especially those in agriculture) on pollution prevention and environmental stewardship.

Other tasks maybe included if you feel they accomplish the ultimate goal of promotion of the Partnership program. Please list and describe the tasks your organization completed over the past year.
