Partnership for a Sustainable Georgia AgTrack Program

- **Environmental Assessment**

A comprehensive environmental assessment of your operation is due by the end of the first year of partnership. Please list the type of assessment and completion date (You do not have to provide the actual assessment).

- **Priority Environmental Concern(s)**

Based on your partnership level, you are required to choose at least 1 (Bronze Level), 2 (Silver Level), or 3 (Gold Level) priority environmental concerns from your environmental assessment and develop an action plan to start addressing those concerns. Please list these priority concerns, what has been achieved to start addressing those concerns, and any quantifiable results from your efforts.

Concern (1):

Efforts and/or Results:

Partnership for a Sustainable Georgia AgTrack Program

Concern (2):

Efforts and/or Results:

Concern (3):

Efforts and/or Results:

Partnership for a Sustainable Georgia AgTrack Program

- **Community Outreach (Silver & Gold Level Partners)**

Please list and describe any community outreach activities you hosted or participated in over the past year. Two (2) activities are required for Silver Level Partners and three (3) for Gold Level Partners.

- **Continuing Education**

At the start of your 2nd year of partnership, continuing education is required. Four (4) hours are required for Bronze Level and eight (8) for Silver and Gold Level Partners by the end of the 3rd year of partnership. If applicable, please list the number of hours and type of continuing education that your or organization leaders participated in over the past year.
